My name is Olga Bazalová, I am 37 years old and I live in České Budějovice (South Bohemian Region), Czech Republic. As an agility handler I am active since 2011 with several dogs (Border collie, mixed breed, Parson Russell Terrier).

My judging career started in 2017 and in 2020 I became an international judge. So far, I have judged about 100 competitions, including Czech Border collie Championship, Sheltie Championship and EO, AWC and National try-outs. All courses are publicly available on my Facebook page. As a judge I always prioritize the dog's safety. I prefer nice lines, good spacing, good speed and an appropriate difficulty, in respect to FCI rules and judging guidelines. Nevertheless, I also keep the audience and the handler in my mind and try to offer multiple options how to run the course and enjoy the beauty of the sport.

I would be honoured to judge the European Open 2024.

With best regards

Olga Bazalová
